

setting up your ZOOM CLOUD MEETINGS APPLICATION

Texas Tech Physicians is happy to help you with your virtual appointment.

1. DOWNLOAD ZOOM CLOUD MEETINGS APP 🦴

Download app via Apple, Android or Mac/PC. We encourage patients to download Zoom at least one day before their scheduled appointment.

You can download them here: Apple | Android | Mac/PC

2. JOIN MEETING

Open Zoom and click "Join a Meeting." From there, enter the meeting ID given to you by your provider at the time you <u>have scheduled your appointment</u>.

The meeting ID varies depending on your clinic. Call your clinic for specific instructions on how to receive the meeting ID.

3. CHECK VIDEO + AUDIO

Check to make sure your video is on and your microphone is off mute.
